Kickstart Taekwondo are pleased to announce a new class open in Levenshulme. This is our first female only class and is run by Miss Naomi Pearson III. The class has been designed as a female only class and is ideal for women who are looking to get into a martial art but who may have previously thought of it as a very "macho" sport. The class will always be taught by a female Instructor and is open to women aged 16 and over. If you require any further information about this or any of our other classes please check our Training Times section or feel free to contact us at any time.
